**Washington Thoroughfare Study Community Advisory Group**

We at the Lake County Division of Transportation (LCDOT) wish to formally invite you to participate in our Community Advisory Group (CAG) for the Washington Thoroughfare Study. The role of the CAG is to provide input to the Project Study Group (PSG) throughout the course of the project development process in order to ensure all potential social, economic, and environmental project issues from both a local and regional perspective are considered and evaluated.

Prior to this mailing, we had contacted individuals from each of the Homeowners Associations, Area Businesses, Municipalities, and Emergency Responders about participating in this process. Feedback for the CAG was very positive, and we are excited to announce that we have set the date and time for our first meeting. It will be held:

November 18, 2009  
6:00 P.M.  
Hainesville Village Hall  
100 North Hainesville Road  
Hainesville, IL 60030

Upon receipt of this letter, we request that you contact our project consultant, Mr. Jarrod Cebulski, to confirm your attendance. His contact information is as follows:

Jarrold Cebulski, P.E.  
Patrick Engineering  
4970 Varsity Drive  
Lisle, IL 60532  
[jcebulski@patrickengineering.com](mailto:jcebulski@patrickengineering.com)  
Phone: 630-795-7200  
Fax: 630-724-1681

Very truly yours,

A handwritten signature in blue ink, appearing to read "Chuck Gleason".

Chuck Gleason  
Phase I Project Manager
